Against Empathy: The Case for Rational Compassion Paul Bloom Ecco, December 6, 2016, 304 pages Reviewed by Jack Coulehan, MD (AQA, University of Pittsburgh, 1969) gainst Empathy is not a title likely to warm the hearts of most readers of The Pharos. Empathy is a core element in medical practice. We teach our students and

Against Empathy (Audiobook) by Paul Bloom | Audible.com

Bloom's Against Empathy: The Case for Rational Compassion will be of interest to those seeking to develop their own moral muscles and to those interested in helping others cultivate the social emotional skills they need to foster a kinder world. Bloom argues that empathy, or feeling or experiencing what another person feels or experiences, on ...

Against Empathy: The Case for Rational Compassion by Paul ...

Against Empathy ends with the conclusion that empathy is a thoroughly bad compass for making choices and informing decisions, particularly those with a moral dimension. What Bloom suggests we should do is jettison empathy altogether, and replace it with what he dubs "rational compassion".

Paul Bloom: Against Empathy: The Case for Rational Compassion

Bloom's book clearly privileges reason over emotion (in this case, empathy) as a moral compass. Curiously, however, this privileging is not contextualized in ongoing debates about the social construction of the "emotional" and "rational." To return to Ahmed's point above,...

Review: 'Against Empathy,' or the Right Way to Feel ...

Against Empathy: The Case for Rational Compassion is a deliberately maverick work – astringent, provocative, often witty and unabashedly against a

prevailing culture that places so high a ...

Against Empathy The Case For

Empathy is biased, pushing us in the direction of parochialism and racism. It is innumerate, favoring the one over the many. It can spark violence; our empathy for those close to us is a powerful force for war and atrocity toward others. It exhausts the spirit and can diminish the force of kindness and love.

Against Empathy - Paul Bloom - E-book

Empathy in these cases is not directed at particular people. I'd argue that empathy, exercised in this way, is an orientation, not an emotion directed at someone or something. Paul Bloom

The case against empathy - Vox

Paul Bloom 's new book, "Against Empathy: The Case for Rational Compassion," is too highbrow to be a self-help or parenting manual, but parts of it could be. Its wingspan is too wide to be a simple guide to philanthropy, but parts of it could be that as well.

Paul Bloom - Against Empathy: The Case for Rational Compassion

A more precise yet less exciting title might have been, the case against empathy. The book also contained an unexpected academic heavyweight fight. I didn't count how many times Bloom pointed out distinctions between his view and Simon Baron Cohen's view - but by the end of the book,...

(PDF) Against empathy: The case for rational compassion ...

In AGAINST EMPATHY, Bloom reveals empathy to be one of the leading motivators of inequality and immorality in society. Far from helping us to improve the lives of others, empathy is a capricious and irrational emotion that appeals to our narrow prejudices.

Against Empathy: The Case for Rational Compassion by Paul ...

Paul Bloom is the Brooks and Suzanne Ragen Professor of Psychology at Yale University. His research explores how children and adults understand the physical and social world, with special focus on ...

I am against empathy, and one of the goals of this book is to persuade you to be against empathy too." — Paul Bloom, Against Empathy: The Case for Rational Compassion 0 likes

Against Empathy Quotes by Paul Bloom - Goodreads

Against Empathy (2016) provides a wealth of scientific research to show empathy for what it really is: a flawed emotional reaction that has led countless people to make bad decisions. While many voices have called for others to have more empathy, Paul Bloom shows us that empathy can make things worse rather than better.

Against Empathy: The Case for Rational Compassion

Scientific studies show that empathy is a capricious and irrational emotion that can cloud people's judgement and even lead to violence and cruelty.

Against Empathy by Paul Bloom

Against Empathy is an invigorating, relevant and often very funny re-evaluation of empathy, one of our culture's most ubiquitous sacred cows, which in Mr. Bloom's view should be gently led to the abattoir...[Bloom] is by no means making the case for heartlessness. His point, rather, is that empathy is untempered by reason, emanating from the ...

Against Empathy: The Case for Rational Compassion: Paul ...

Against Empathy: The Case for Rational Compassion. We often think of our capacity to experience the suffering of others as the ultimate source of goodness. Many of our wisest policy-makers, activists, scientists, and philosophers agree that the only problem with empathy is that we don't have enough of it.
