You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Charcoal Blood Italian Immigrants Eureka

Charcoal and Blood is a detailed account of a heinous crime perpetrated on Italian immigrants engaged in the production of charcoal on Nevada's mining frontier at the close of the nineteenth century. On August 18, 1879, in a canyon near Fish Creek, outside Eureka, Nevada, five Italian charcoal burners were slain and six more were wounded, while fourteen were taken prisoner by a sheriff's posse.

Silvio, you are the author of the book "Charcoal and Blood: Italian Immigrants in Eureka, Nevada, and the Fish Creek Massacre". How did you come up with the idea of this book? In 1984 I enrolled at California State University of Fresno. As a university student I spent a great deal of time at the campus library.
