In Chicago style, you generally shouldn't include an unpublished interview in your bibliography or reference list. Instead, just describe it in the text, or give details in a footnote. References to interviews of this kind should include the name of the interviewee, that of the interviewer, and any other information you think is relevant, such as the date and place of the interview:

Chicago Manual of Style - ANU

The Chicago Manual of Style is a must-have for all writers, and also for people who do a fair amount of writing at work. In one of my writers' online forums, a couple of snooks said proper grammar and punctuation is something they could care less about, because it takes them away from what they do best: write books that tell people how either to make money, or to become a better business ...
