### The Clear Connection Between Slavery And American Capitalism

In his discussion of what constitutes a deep economy, a durable and wealthy economy, McKibben explores issues of food, energy, entertainment, public transportation, local businesses, subsidies, radio, television, and a host of other economic activities that make up our lives.

### Deep Economy | Bill McKibben | Macmillan

Deep Economy. Suddenly, instead of turning handles and cranks with their own muscles or with the muscles of their animals (which had in turn to be fed by grain that required hard labor in the fields), men and women could exploit the earth's storehouse of fossilized energy to do the turning for them.

### Deep Economy: The Wealth of Communities and the Durable ...

Actually, McKibben's aim in "Deep Economy" is relatively modest — to change minds, to present "a new mental model of the possible." It's a good time to try.

### Book Review: Deep Economy by Bill McKibben | TreeHugger

In Deep Economy, he presents a convincing argument that local economies are much more sustainable than global ones, not only because it uses less resources, but also because it makes us happier. He summarizes research on the benefits of communities, and tells personal stories of eating and living locally.

Deep Economy: The Wealth of Communities and the Durable Future is a non-fiction work by environmentalist Bill McKibben published in the field of ecological economics in 2007. The work promoted sustainable economy in close-knit communities. These include regions that generate their own food, their own energy, their own culture, and their own entertainment.

### Deep Economy: The Wealth of Communities and the Durable ...

Deep economy: The Wealth of Communities and the Durable Future Bill McKibben [Times Books, 261 pages] In Deep Economy, McKibben argues against the current neoliberal social order while creating a very approachable prescription for a sustainable society. To McKibben, sustainability rests in a resurgence of community, exemplified by locavorism and public radio movements, which he believes offer true alternatives to the malaise of endless hyper-individualist consumerism.
