Microeconomics Study Guide for College Students ...

The prefix micro means small, indicating that microeconomics is concerned with the study of the market system on a small scale. Microeconomics looks at the individual markets that make up the market system and is concerned with the choices made by small economic units such as individual consumers, individual firms, or individual government agencies.

ap microeconomics study guide Flashcards and ... - Quizlet

Some criticize this guide for having too much information, but it can be used effectively if you consider it more of a textbook rather than a concise study guide. For information that is presented more concisely, you might consider the AP® Microeconomics Crash Course Book. Though it has not been updated since 2011, it continues to receive ...
