21 Best Early American House Plans images | House plans ...

American architect Frank Lloyd Wright (1867-1959) revolutionized the American home when he began to design houses with low horizontal lines and open interior spaces. His buildings introduced a Japanese serenity to a country largely populated by Europeans, and his notions about organic architecture are studied even today.

Early American Homes | Architectural Digest

The American Centennial celebrations of 1876 brought about a nostalgia for the country's past, including its early house styles. But rather than copy those houses directly, architects like McKim, Mead, and White mixed and matched details from several early styles, including Dutch Colonial, Georgian, and Federal.
