Such growth has brought with it a diverse range of customers and a wide array of vehicles, encouraging the constant expansion of MoTeC product capabilities and support expertise.

MoTeC M4 Engine Management System Unlocked | eBay

Although there are many options for complete engine management systems for the rotary engine, one important reason for our preference of the Motec product line was the offering of the Motec M2R ECU. This ECU is a more cost efficient version of the venerable M4 and is specifically intended for use on 2-rotor engines.
