### Race, Ethnicity, Culture, and Disparities in Health care

A Race and Ethnicity. When discussing racial and ethnic inequalities, perhaps it is best to first cite the difference between the two. Within the sector known as public health, there is often disagreement over the correct usage of the term "race." The mistake often made by both scientific specialists and the general public is that race is based upon the idea that human beings can be separated ...

### Social Inequality - Wikipedia

Cultural deficiencies. Another explanation of racial and ethnic inequality focuses on supposed cultural deficiencies of African Americans and other people of color (Murray, 1984). These deficiencies include a failure to value hard work and, for African Americans, a lack of strong family ties, and are said to account for the poverty and other problems facing these minorities.

### Inequality within ethnic groups - JRF

According to Ethnic and Racial Minorities & Socioeconomic Status racial and ethnic inequality in the US is popular at places of work and institutions of higher learning (Karger et al., 76). Despite government efforts to uproot the issue, through various legislations, human rights group and religious organizations, racial and ethnic inequality continues to engulf the US.
