OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

Iiyama ProLite E2410hds 1 User Manual

Drivers, user manuals and data sheets. For drivers, user manuals and specifications relating to current products, please visit the individual model within the product section of the iiyama website. For discontinued products, please enter the model number into the iiyama service tool on the left.
