Confidence Building Units | JUMP Math

JUMP Math is a numeracy program. JUMP Math is dedicated to enhancing the potential in children by encouraging an understanding and a love of math in students and educators. JUMP Math replaces the self-fulfilling myth that some people are born with mathematical ability while others do not have the ability to succeed with assumptions that all children can be led to think mathematically.

Fraction (mathematics) - Wikipedia

Click once in an ANSWER BOX and type in your answer; then click ENTER. After you click ENTER, a message will appear in the RESULTS BOX to indicate whether your answer is correct or incorrect. To start over, click CLEAR. Be sure to write each fraction or fractional part in lowest terms. To enter the fraction three-fourths, type 3/4 into the form.

Fractions Unit Test — Banded Peak School

Decomposing fractions is one of the first fraction math lessons I teach each year. I teach students to break down the fractions into the unit fractions. For example 3/4= 1/4 + 1/4 + 1/4. Lastly, students name one equivalent fraction. They can draw models to help them find one. I have/Who has Fraction Game
