Skirts

The truth of the fairy tale is the power of a woman. Published by Thriftbooks.com User , 19 years ago. I

impulsively picked up this book because of the name & cover design. I had no idea that it was directed at an adolescent audience until I was about to order one as a gift for one on my heroes.

In this stylized, lyrical collection of revisionist fairy tales, Cinderella falls in love with her fairy godmother, and Gretel remains loyal to the witch in the gingerbread house, who planned to skin Hansel like a rabbit only because of his repeated attempts to rape her.

Donoghue

Emma Donoghue sets out to change this in *Kissing the Witch*, a collection of thirteen stories that draw on the rhythm and beauty of traditional fairy tales. Except Donoghue takes the age-old stories and reworks them so that the women in them are bright, clever, sad, vicious, real. It's a slim book, easily read in one sitting.

Kissing The Witch

Old Tales In New

Kissing the Witch is a fantasy collection of thirteen fairy tales; the text represents a new way of narrating the old fairy tales like Cinderella and Snow White. Each princess's story changes dramatically, from Cinderella loving her stepmother to Bella's beast being a woman in love with Bella during this whole time.

Kissing the Witch: Old Tales in New Skins ...
With 13 tales spanning from a shoe to a kiss, they are interwoven in such a way that each introduces the next one that follows. All is not how it seems nor how we've been told it was once upon a time and far, far away.
