Kluge : the haphazard construction of the human mind
The human mind, Marcus writes, is “the most fantastic kluge of them all,” an organ whose “haphazard construction” is apparent in our memory slips, credulous beliefs and self-defeating choices....

Kluge: The Haphazard Construction of the Human Mind on ...
Marcus (The Birth of the Mind), director of NYU's Infant Language Learning Center, refers to this as kluge, a term engineers use to refer to a clumsily designed solution to a problem. Thus, memory developed in our prehominid ancestry to respond with immediacy, rather than accuracy; one result is erroneous eyewitness testimony in courtrooms.

Kluge : the haphazard construction of the human mind by Marcus, Gary F. (Gary Fred)

Kluge : the haphazard construction of the human mind ...
He also offers surprisingly effective ways to outwit our inner kluge-for example, always consider alternative explanations, make contingency plans, and beware the vivid, personal anecdote. Throughout, he shows how only evolution-haphazard and undirected-could have produced the minds we humans have, while making a brilliant case for the power and usefulness of imperfection.

Kluge: The Haphazard Construction of the Human Mind: Gary ...
Kluge is a useful metaphor for the brain, though, and a clever way to describe in a word his overall argument for the haphazard evolutionary construction of the brain.
