(PDF) Language, Migration, and Identity: Neighborhood Talk ...

This volume presents a collection of the latest scholarly research on language, migration and identity. In a globalised world where migratory patterns are in constant flux, the traditional notion of the 'immigrant' has shifted to include more fluid perspectives of the migrant as a transnational and the language learner as a complex individual possessing a range of dynamic social and ...

Language, Migration, and Identity

Language, migration, and identity continues this tradition of examining identity formation in an Indonesian neighbourhood but gives special attention to the central role of language practices in creating 'insiders' and 'outsiders' and social expectations in the neighbourhood.
