Lateral thinking - Wikipedia

A situation puzzle, also called a lateral thinking puzzle, is played with at least two people, and begins with a sentence describing a scene that is unusual or intriguing. The person describing the scene knows the answer to the question, "What's going on here?" The other player(s) attempt to find that out, by asking only yes-or-no questions.

Lateral thinking and Situation puzzles - mesosyn.com

Usually, logical thinking is used to solve problems in a direct, straightforward way (also known as vertical thinking). Lateral thinking however, looks at things from a sideways perspective (also known as horizontal thinking), in order to find answers that aren't immediately apparent. The term was first coined by psychologist Edward de Bono.
