patterns, and live a more positive life.

Switch On Your Brain: The Key to Peak Happiness, Thinking ...

Review: Switch On Your Brain by Caroline Leaf. This book is divided into two parts, a theoretical one (Point 1 above) and a practical one based on the theory (Point 2 above). Caroline Leaf's foundational message is that the mind influences and informs the brain; the chemistry of the brain does not control the mind.

integra education centres - Switch on your Brain

What disappointed you about Switch on Your Brain? I like Leaf's work, but the narrator reads a list of bible verses frequently which makes it impossible to concentrate on the content. When you are reading a physical book, you can just skip over the lists, but when I have the audio running in the background, I don't
