Taco Bell's ex-CEO has officially taken over as Chipotle's top executive — here are the changes to expect. While both Taco Bell and Chipotle serve burritos, the chains are extremely different. The new CEO could bring changes such as new menu items, breakfast burritos, more advertising, and boozy drinks to Chipotle. Chipotle's new CEO is coming from a very different type of Mexican-food chain: the fast-food icon Taco Bell.

Impact Of Changing Dining Preferences
In The U.S. On Chipotle Mexican Grill.
Fine dining restaurants have an average
customer spend of \$40 and QSRs report
an average check of \$5. A decrease in
low-income customers, who prefer going
to low-cost fast food restaurants, is
affecting the revenue growth of the
QSRs.

No, the news story that really shook me to my very core was the one which warned that Chipotle may need to stop serving guacamole thanks to the effects of climate change. Obviously, climate change has some incredibly serious implications for our planet and for the future generations of humans who may or may not want to live on it.

Chipotle -- Rewards Terms

Chipotle opened 192 restaurants in 2014 and expected to open 215 to 225 in 2015. The company held its first National Career Day on Sept. 9. The goal was to hire 4,000 employees, increasing its ...

How Chipotle Changed American Fast Food Forever

Chipotle's approach to mitigating climate change risk. Chipotle recognizes the risks climate change could have on its business model and is taking steps to protect itself from variability in food prices. There are two main approaches that Chipotle is taking to mitigate negative climate change effects.
