The Intellectual Property and Antitrust Review

Antitrust Law and Intellectual Property: Intersection or Crossroad? It is traditional in beginning an article on antitrust law and intellectual property to note the tension—or, as some would put it, the conflict—when the two intersect. And there is certainly support in the earlier case law for that point of view.

HB Litigation Conferences - The Intersection of Antitrust ...

The antitrust laws are increasingly used to prosecute alleged acts of market manipulation, particularly against firms in the banking and energy industries. Both industries are now regulated subject to fraud-based market manipulation rules, but antitrust remains a vehicle on which private claims are ...
