### Review of When Brute Force Fails (9780691142081 ...

Engineers have a sardonic saying: "When brute force fails, you're not using enough." For three decades, in the face of the great crime wave that started in the early 1960s, we have been trying to solve our crime problem with brute force: building more and more prisons and jails.

### [When Brute Force Fails] | C-SPAN.org

When Brute Force Fails: Crime and punishment are such emotional issues in America that it's difficult to view them in an objective cost vs. benefit context. But that's what Kleiman, a professor of public policy at the University of California, Los Angeles, does. He...

### When Brute Force Fails | Princeton University Press

When Brute Force Fails: How to Have Less Crime and Less Punishment. Since the crime explosion of the 1960s, the prison population in the United States has multiplied fivefold, to one prisoner for every hundred adults--a rate unprecedented in American history and unmatched anywhere in the world.

### When Brute Force Fails: How to Have Less Crime and Less ...

When Brute Force Fails. Liberals don't like talking about crime. The classic answer—fixing the root causes of crime—now seems hopelessly ambitious. And our natural sympathy for the millions ground down by an out-of-control prison system and a pointless war on drugs doesn't play well with voters, especially when most criminals can't vote.

### When Brute Force Fails: How to Have Less Crime and Less ...

When Brute Force Fails : How to Have Less Crime and Less Punishment. Crime, even after a decade of falling crime rates, remains a huge problem, and a major barrier to improving conditions in poor neighborhoods. Mass incarceration -- one American adult in 100 is now behind bars -- constitutes a problem in its own right.

### When Brute Force Fails: How to Have Less Crime and Less ...

When Brute Force Fails explains how we got into the current trap and how we can get out of it: to cut both crime and the prison population in half within a decade. Mark Kleiman demonstrates that simply locking up more people for lengthier terms is no longer a workable crime-control strategy.
